Description of Complaint:

HQ LEAD NUMBER: FY14-116939-3714-CV

SUBJECT: Regional Tip and/or Complaint - Illinois

Tip or Complaint: The issue is Koppers at 3900 S. Laramie Avenue. Each evening they release steam or chemicals into the air (supposedly part of a daily cleaning process) around 10 p.m. This drives me into the house and is of concern given the chemicals and carbon they work with. It is highly annoying and even if the fumes are not dangerous they are a health problem for those of use with respiratory diseases. Thank you for your assistance.

Specific Directions: the facility is on the corner of Laramie Avenue and Pershing Road and is easily accessible from I55 at teh Cicero Avenue exit going north to the first traffic light and turning left.

Violation Still Occurring? Yes

State DEP/DEQ/DEM Notified? Yes
